DETAILED ACTION

Allowable Subject Matter

Claims 1-12, 15-29, 32-33, and 35-46 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record, taken alone or in combination, fails to disclose or render obvious, a system for calculating diffraction efficiencies of a diffraction lens that includes a first memory for storing information about diffractive efficiencies of each of a plurality of regions of a diffraction lens, a second memory for storing information about weights corresponding to the regions, and a processor for retrieving the information and calculating the efficiency according to the claimed formula, in combination with the rest of the limitations of claims 1, 18, and 35.

As shown in claim 12, the prior art of record, taken alone or in combination, fails to disclose or render obvious, a system for calculating diffraction efficiencies of a diffraction lens that includes the claimed memory storage features or and a processor for retrieving the information and calculating the efficiency according to the claimed formula, in combination with the rest of the limitations of claims 12, 29, and 46.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
